### [The Baltit Fort](#)

[Baltit Fort Hunza Pakistan \(world heritage\)](#)

Balti Fort is an ancient fort in the Hunza valley in the Northern Areas of Pakistan. In former times survival of the feudal regimes of Hunza was ensured by the impressive Baltit fort, that sits on top of Karimabad. The foundations of the fort are said to date back around about 800 years, but there have been rebuilds and alterations over the centuries. The architectural style is a clear indication of Tibetan influence in Baltistan at the time.
